

# Medidas de longitud

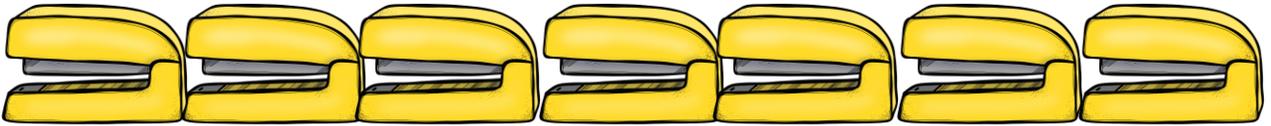

Actividades  
de  
Infantil y Primaria

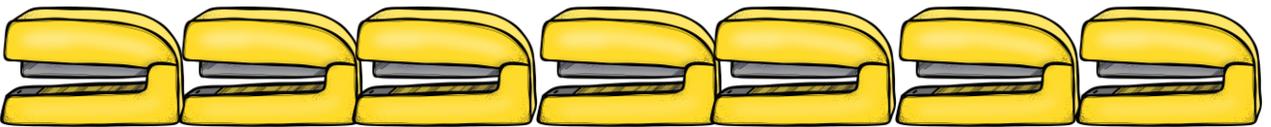

Observa, calcula y responde, cuantas grapadoras mide cada objeto.

El lápiz mide  grapadoras.

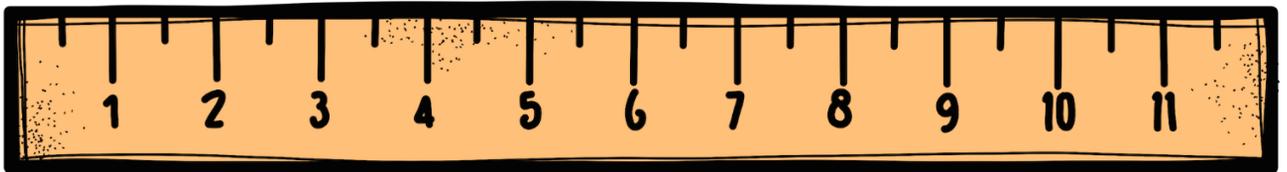

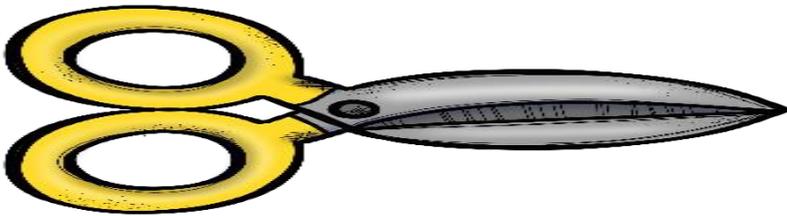

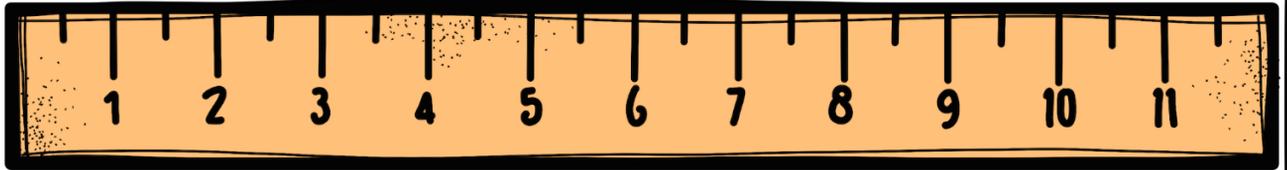

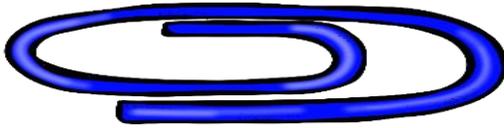

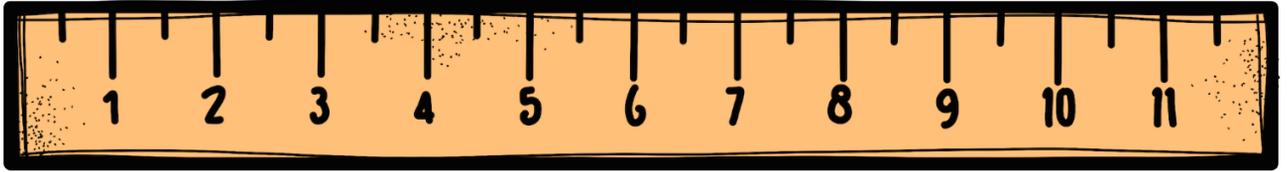

La goma mide  grapadoras.

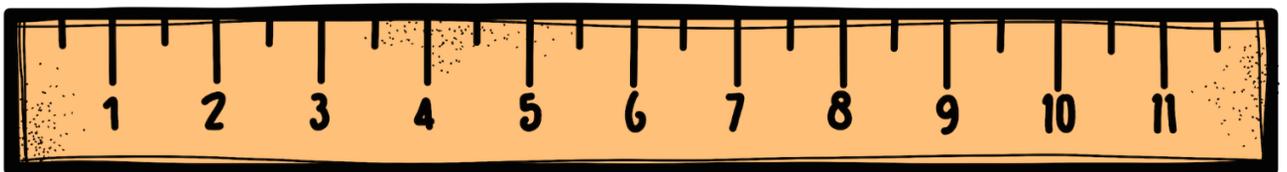

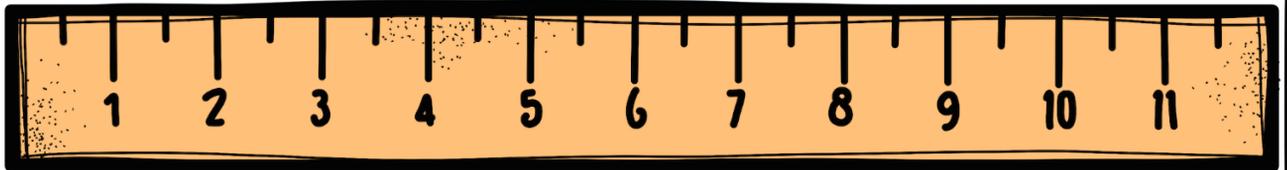

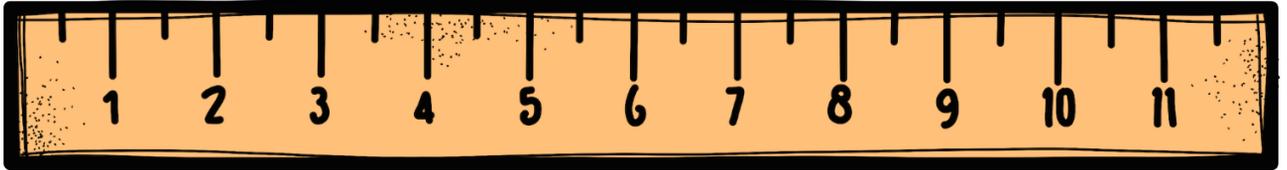

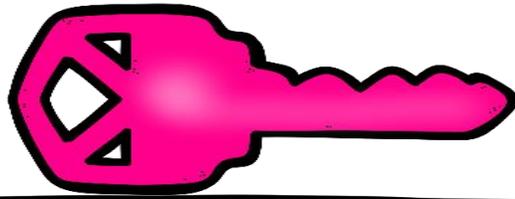

El pincel mide  grapadoras.

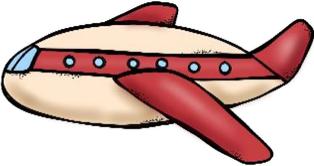

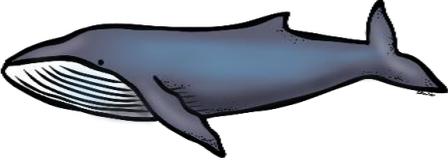

Fíjate lo que mide cada objeto y anótalo en la casilla.

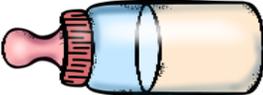

Fíjate lo que mide cada objeto y anótalo en la casilla.

Escribe , 1, 2 3 en cada cuadrado para ordenar los objetos por longitud de mayor a menor.

|                      |  |                      |   |
|----------------------|--|----------------------|---|
| <input type="text"/> |   | <input type="text"/> |   |
| <input type="text"/> |   | <input type="text"/> |   |
| <input type="text"/> |  | <input type="text"/> |  |

|                      |   |                      |  |
|----------------------|---|----------------------|--|
| <input type="text"/> |  | <input type="text"/> |  |
| <input type="text"/> |  | <input type="text"/> |  |
| <input type="text"/> |  | <input type="text"/> |  |

En cada conjunto, pinta en verde el más largo y en azul el más corto.
