## EL CUMPLEAÑOS DE TOÑO.

Con la llegada del otoño, el pequeño Toño celebrará su cumpleaños con todos los niños de su calle. Lleva varios días soñando con la piñata que le van a regalar.

El año pasado una niña le hizo daño en la uña del dedo meñique al querer rogar unas castañuelas que había en la piñata. Este año su madre le prometió celebrar su cumpleaños en "La rabaña de la rigüeña". La rabaña de la rigüeña está cerca de la montaña y es un sitio muy divertido para celebrar los cumpleaños.

Unos días antes del cumpleaños, Toño pidió permiso a su mamá para repartir las invitaciones a todos los niños y niñas. Por la mañana las repasa todas para que no se olvide de nadie. El año pasado se olvidó de Toñita su vecina y para que no se enfadara le regaló una muñeca.

Toño es un niño feliz cuando celebra su cumpleaños.

Los zapatos de Zulema

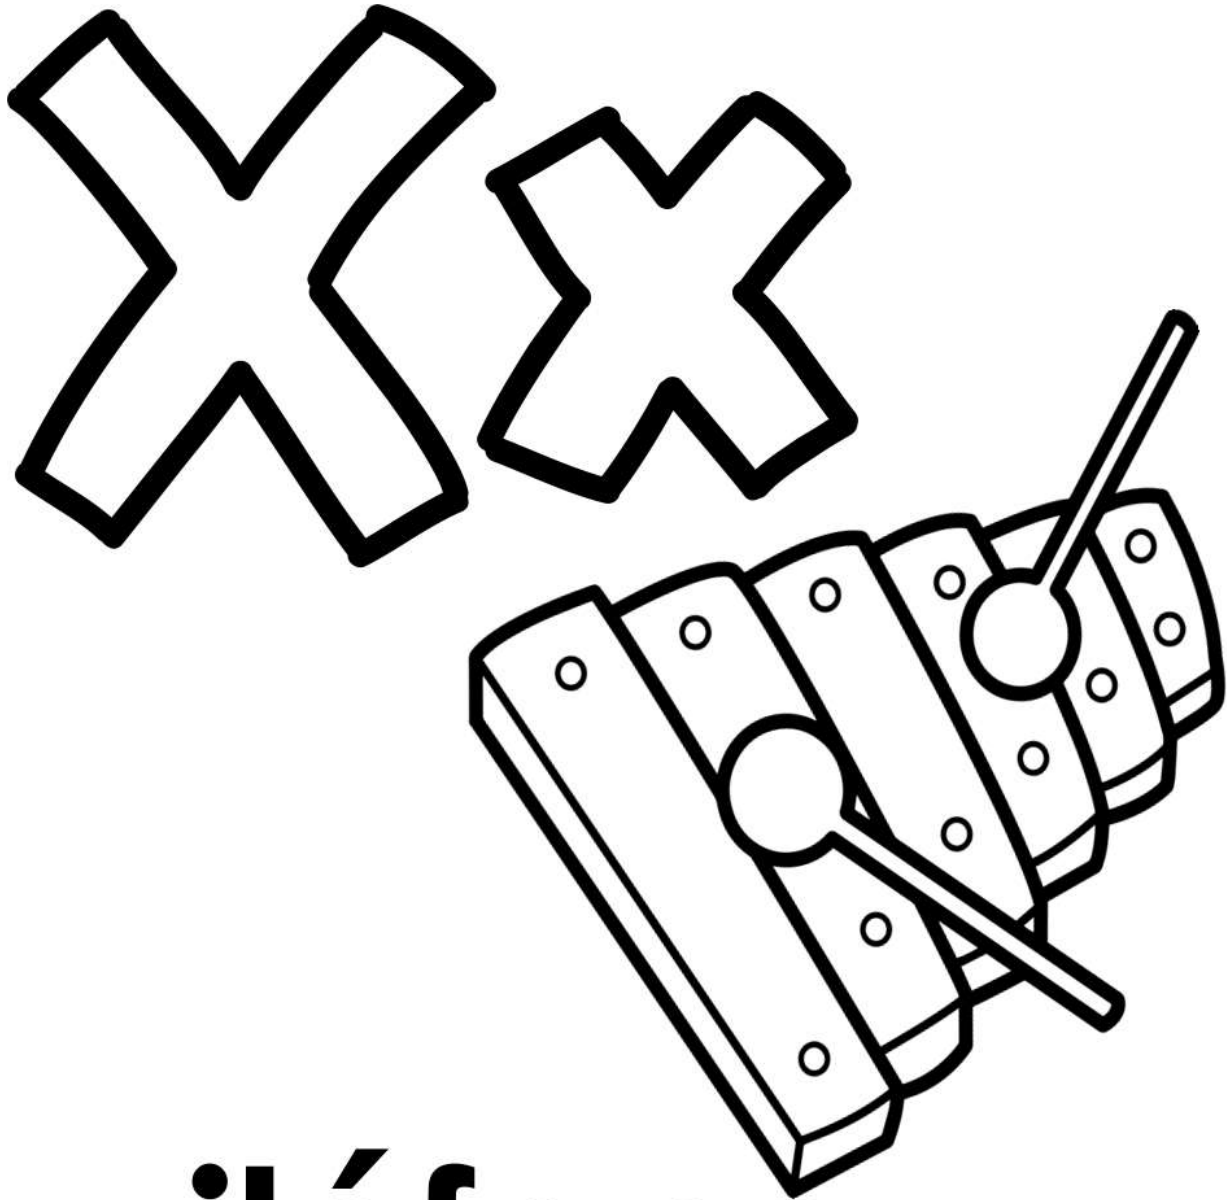

Cuando cumplí 10 años mi tía Zenaida me regaló algo para mis pies. Eran unos zapatos azules hermosos, tenían un lazo azul que cruzaba los tobillos y un gran moño rojo.

Ayer me los puse para ir al zoológico. Me lastimaban un poco pero pensé que era por danzar en el zacate. Me los quité, descansé un rato y luego me los volví a poner.

-Creo que éstos zapatos ya no me quedan le dije a mi tía y me puse a llorar.

Ella dijo—te los tendré que cambiar.
